2004/ENV+/025	Justice, liberté et sécurité Environnement	Proposal for a Directive replacing the Framework Decision 2003/80/JAI of Council of 27.01.2005 on the protection of the environment by criminal law	ENV / JLS	Adopté le 9 février 2007 [COM(2007)51; SEC(2007)160-1];[2007/0022 (COD)]	Traité instituant la Communauté européenne: 175.1	codécision (COD)	X X	The objective of the proposal is the ensure better application of Community law on the protection of the environment by establishing a minimum set of criminal offences and minimum levels of penalties. The Commission adopted a proposal for a directive on the protection of the environment through criminal law in 2001. The Council did not debate the proposal, but adopted instead a Framework Decision on the matter. The Framework Decision was annulled by the European Court of Justice in September 2005. As a follow up to the judgement, the Commission will propose a new proposal for a directive that will take up all the elements that according to the judgment fall under Article 175 ECT.

2007/TREN/042	Energie	Amended proposal for a directive of the European Parliament and of the Council amending Directive 2003/54/EC of the European Parliament and of the Council as regards the application of certain provisions to Estonia	TREN	Adopté le 16 juillet 2007 [COM(2007)411]	Traité instituant la Communauté européenne: Art. 95, 47(2), 55	codécision (COD)	X	O	Estonia was granted a transitional period until 31 December 2008 for the application of Article 19(2) of Directive 96/92/EC, relating to the gradual opening of the electricity market. The Council adopted Directive 2004/85/EC amending Directive 2003/54/EC as regards the application of certain provisions to Estonia and extended derogation until 31 Dec. 2012. A judgment of the Court of Justice partially annulled Directive 2004/85/EC mainly because of the choice of legal basis by the Council. Since the reasons for granting Estonia a derogation from the application of Article 21(1)(b) and (c) (market opening) of Dir.2003/54/EC beyond 31 December 2008 remain valid, the proposal amends the directive on the appropriate legal basis.

2006/RELEX/021	Relations extérieures	Negotiation Directives for a new framework (partnership and cooperation) agreement with Vietnam	RELEX	Adopté le 19 avril 2007 [C(2007)1311]				Programme législatif et de travail de la Commission / 2007 / Initiatives prioritaires The EC-Vietnam agreement of 1995 currently provides the cover for the relationship, it is outdated as it does not cover new priorities in EU-Vietnam cooperation nor the more modern policy agenda that has emerged for our external relations in general. Negotiations of a new partnership agreement was requested by the Vietnamese side at the recent EC-Vietnam Joint Commission, a new PCA is also seen as an adequate response from the EU side to the "Master Plan on relations with the EU" presented by Vietnam in 2005. It is therefore suggested to seek negotiating directives from Council in the first half of 2007.

2006/TAXUD/004	Fiscalité et union douanière	Communication on the activities of the EU Joint Transfer Pricing Forum on alternative dispute avoidance and resolution procedures in the field of transfer pricing	TAXUD	Adopté en février 2007		O	The EU Joint Transfer Pricing Forum will present its activity report and its conclusions after its third year of activity. Following this report and in line with its taxation policy foreseeing soft law initiatives where appropriate, the Commission may propose to Member States ways to implement the conclusions of the Forum on alternative dispute avoidance and resolution procedures. The Communication is motivated by the desire to improve companies' competitiveness and is a follow-up to the Communication "Towards an Internal Market without tax obstacles. a strategy for providing companies with a consolidated corporate tax base for their EU-wide activities" (COM(2001)582 final of 23 October 2001). So far the JTPF has looked at dispute resolution procedures after double taxation has occurred (in the framework of the EU Arbitration Convention). Now the aim is to provide supplementary avoidance resolution techniques to prevent double taxation and reduce business compliance cost and thus strengthen their global competitiveness.

2006/TREN/031	Energie	Communication on nuclear energy in the EU, including an indicative nuclear programme for the Community based on article 40 of the Euratom Treaty	TREN	Adopté le 10 janvier 2007 [COM(2006)844; SEC(2006)1717; SEC(2006)1718; SEC(2007)12]		X	Cette source d'énergie joue un rôle significatif dans la sécurité d'approvisionnement car elle assure plus du tiers de la production d'électricité de l'Union sans produire des émissions à effet serre. Les actions récentes entamées par certains Etats qui ont décidé de construire de nouveaux réacteurs et le contexte actuel (prix du pétrole) imposent une réflexion sur le futur du nucléaire en Europe. C'est ce que vise cette Communication qui inclura la définition d'un programme indicatif nucléaire. L'article 40 du Traité Euratom prévoit en effet un programme indicatif nucléaire publié par la Commission : "in order to stimulate action by persons and undertakings and to facilitate coordinated development of their investments in the nuclear field, the Commission shall periodically publish illustrative nuclear programmes indicating in particular nuclear energy production targets, and all the types of investment required for their attainment".
